

Coaches and Referees

Working together

- 1. Why is it important to the Game?**
- 2. How can it work?**
- 3. What can be achieved through it?**
- 4. Who will benefit?**

Why should this be good for the game

- **Coaches and players gain better understanding of how the laws of the game are applied and the role of the referee**
- **Referees gain a better understanding of what coaches and players are trying to achieve at different phases of play**

The end result

Improved understanding on all sides

**More enjoyable rugby for players,
coaches, referees and public**

Which means

The Rugby Triangle Works!!
