Canterbury Rugby Football Union Historical Trust Inc.

Memorabilia

The CRFU Historical Trust is seeking items of interest to establish a history of Canterbury rugby.

Items the Trust is seeking could be jerseys, caps, ties, pins, trophies, photos, medals, letters, etc. These items would be used to establish a permanent record of our past and present rugby history.

Items can be donated or loaned to the Trust for display.

If you are happy to donate or loan items of interest, please contact one of the following:

MEMBERSHIP

Memberships this year will close as soon as we have 500 financial members. Anyone wishing to join the club can do so for an annual subscription of \$30.00 (includes GST).

ACTIVITIES

After-match and pre-match functions are held on days when the Crusaders and Canterbury A teams are playing or there is a Test Match at AMI Stadium.

Each year in conjunction with the CRFU a “Player of the Year” awards ceremony is held featuring a guest speaker / entertainer.

Away trips are arranged to some Crusaders, Canterbury and Test matches.

ELLESMERE RUGBY SUB UNION

PRESIDENTS MESSAGE

Another very good year for Ellesmere rugby. For the 4th year, the combined Ellesmere, North Canterbury and Mid Canterbury Division 1 competition worked very well. There was some new blood in the final and I congratulate both Methven and Glenmark. I also congratulate Lincoln for again winning the Ellesmere final.

Our representative teams again performed very well and I congratulate, particularly the senior team for retaining the Southbridge Shield, the test match of our Sub Union representative season.

I again thank most sincerely the volunteers involved at Club level for the huge contribution that they make in ensuring rugby carries on every week. I am particularly pleased with the retention rate experienced by our Clubs and the healthy environment which appears to exist within the Clubs. We know the commitment you make and we thank you for it. This extends to Coaches, Managers and Administrators.

I am also gratified by the continuing goodwill and cooperation that exists between our referees and the

Ellesmere Board. I admire the dedication of our referees, but signal a warning, that more are needed.

I know I say it every year, but our elite players cannot rise to the top without a team around them. Whilst I congratulate those who have risen to a higher level, I also thank those who achieve to the level of their own personal capability.

I particularly thank our sponsors, because, in the environment which exists today, they are critical to our existence. I make special mention of Totalspan for its huge commitment to junior rugby and PGG Wrightson for their support in 2010. We welcome Luisetti's as a principal sponsor for 2011.

I appreciate and thank the Canterbury Rugby Football Union for the huge support we get from them, not only in funding, but with administrative and coaching assistance. With Budget constraints in all areas of our economy, it is becoming more difficult to advance, but as a board we are committed to preserving our financial position.

Thank you to the Board for the very committed way it manages Ellesmere rugby. I thank most sincerely, Stu Boon for his efforts during this past year. Stu, as Chairman, has been a more than capable leader. I extend my thanks to Pete Callander who has done his normal great job as Treasurer. Wendy Busch, as draws convenor and results secretary Ann Saunders, have also, again contributed immensely. I thank Jeanette Ellis for her services as Secretary to the Sub Union.

I wish all the Clubs the very best for the 2011 year and congratulate them for what they achieved during the 2010 season.

I thank everyone involved for the contributions made to grow the game in Ellesmere. Because of World Cup year, the season is a little more difficult to manage but I cannot see any problems, given the goodwill of everyone involved in this great game of ours.

Gavin Eastwick, **Ellesmere President**

NORTH CANTERBURY RUGBY FOOTBALL SUB UNION

PRESIDENT'S MESSAGE

As I write this it looks likely that our combined Senior Division One competition will feature 20 teams, new entrants being Dunsandel-Irwell and Ohoka, the latter being granted promotion on the back of Division 2 competition wins in 2008-9.

Having played in the Ohoka senior team at this level in 1997 I wish the club all the best for its debut season, as I do indeed to all of our six North Canterbury entries. Neither should we forget the stand-alone North Canterbury competition which has had a different winner in each of the past three seasons.

In Division 2 we're hoping for at least six entries to provide varied and competitive rugby, while many will watch with interest how Rangiora High School fares in its first season in the Press Cup. This move has been a few years in the making and personally I believe that the more we expose our players to top level rugby, the more reason they will have to stay in, or return to, our competitions.

The same said can be said of our coaches and in this we are again fortunate to have secured Shane Fletcher and Ray Southam to coach our North Canterbury senior team, John Mills and Don Smith to run the Colts and Chris England and Wayne Bell to again guide the Under 19/18s.

In rep rugby it promises to be a hectic, maybe even slightly mad season and we thank these men and our team managers for making themselves available, particularly as most have club commitments too.

Equally can I thank the squadron of referees, committee and board members, parents and caregivers who will put so much of their time and sweat into running the local game. If this effort wasn't enough, a number of you also choose to support either clubs or the sub union through sponsorship. The backing is tremendously appreciated and our board is always looking for new ways to make your dollar go further.

One way we might be able to help you is a dedicated North Canterbury rugby website that will operate in tandem with the existing CRFU site.

You can find us at

www.sportsground.co.nz/northcanterburyrugby

Besides providing rugby information the site accepts advertising at a reasonable rate and we understand that sports clubs who use the nationwide website format find it gives excellent direct contact with their supporters. We hope you'll use it regularly to keep in touch with us and consider it as a sponsorship and/or advertising option for your business.

Finally I'd like to thank North Canterbury board for its support me in my first year as president. We are fortunate to have retained much the same personnel for the coming year, the significant change coming in the JAB as Marian Dench steps down after a three-year term and Struan McDuff succeeds her. Marian is taking up a new role as JAB rugby administrator, providing day-to-day support for the board, liaising with Peter Williams and the senior board as required.

Enjoy the season and go the All Blacks

Tim Fulton,

President, North Canterbury Rugby Sub Union

The mission of the New Zealand Rugby Foundation (“the foundation”) is to provide financial support for seriously injured rugby players left unable to support themselves and to foster the development of our national game by contributing to areas of rugby in

need.

The Foundation was set up in 1986 at the instigation of All Black legend Kel Tremain. He recognised that many areas of amateur rugby in New Zealand were under resourced. Since its inception the Foundation has become actively involved in supporting seriously injured players, the delivery of the Area Schools rugby programme, NZ Spinal Trust research/rehabilitation, wheelchair rugby, club rugby, administering the player insurance scheme and injury prevention at all levels of the game. The Foundation has distributed in excess of \$3 million to assist these worthy causes since its incorporation.

The Foundation’s core business has become supporting seriously injured players and their families. It is focused on bridging the gap between ‘before’ and ‘after’ quality of life for these players. The Foundation is able to achieve this in a number of ways:

- Lifestyle retraining for the injured person, their spouse and family members;
- Financial grants for needy injured players;
- Family education;
- Vocational training and/or retraining;
- Funding specialised transport to increase mobility and independence;
- Respite care

The Foundation also administers NUM8ER (www.no8.co.nz) an online rugby community for supporters of New Zealand rugby at all levels.

The Foundation is administered by a Board of Trustees whose members include former All Blacks and high profile rugby personalities:

- Sir Wilson Whineray (Patron) (K.N.Z.M)
- Maurice Trapp (Chairman)
- R.W. (Tane) Norton (MNZM)
- D.J. (John) Graham (President) (C.B.E)
- Andy Leslie (NZRU President) (MNZM)

- Ritchie Guy (Life Member of NZRU)
- Mark Hammett

For further information, to make a donation or to join the number Supporters Club please log onto our website at www.rugbyfoundation.com. Alternatively contact the Chief Executive Officer, Andrew Flexman, on (09) 623 7980
